# 3rd Alternative Fuels Symposium 12-13 October 2016

## Landschaftspark Duisburg-Nord, Germany

MVW Lechtenberg & Partner is pleased to announce that the 3rd Alternative Fuels Symposium will take place on 12-13 October 2016, at a special and unique location of Landscape Park Duisburg Nord, a former Steel Mill, where the area's rich industrial heritage meets nature in a fascinating way.

Supported by Arab Union for Cement and Building Materials (AUCBM), this highly regarded symposium will gather delegates from all over the world, and the topics covered include

- ▶ Case studies on waste processing
- ▶ Carbon capture and carbon storage
- ▶ Alternative fuels and raw materials
- ▶ Liquid and pasty alternative fuels
- ▶ Processing and drying of refuse derived fuels
- ▶ Alternative fuels in the steel industry
- ▶ New technologies
- ▶ Site visit to RDF production plant of EMREC

Supported by

Dear Colleagues

It is my great pleasure to invite you to the 3rd Alternative Fuels Symposium which will take place at the "Landschaftspark Duisburg-Nord", on the grounds of a former steel mill which has been named one of the 10 best landscape parks in the world.

Due to the high success of the previous events, we are expecting a record number of delegates from all over the world to attend this year's Symposium. The event has proved to be an unparalleled forum for networking and information exchange. The programme will concentrate on CO2 reduction technologies as well as carbon capture. Case studies with practical experience in the use of alternative fuels and raw materials (e.g. fly ash from coal fired power plants, granulated blast furnace slag etc.) will also be presented. The Environmental Minister of North Rhine Westphalia will open the event as a keynote speaker.

We are also offering a field trip on 11 October, to refuse derived fuel production facility of EMREC.

I look forward to welcoming you at the 3rd Alternative Fuels Symposium in Duisburg.

Dirk Lechtenberg, MD  
MVW Lechtenberg & Partner

Confirmed speakers include (April 2016)

**Keynote: Climate Action Plan**

Environmental Ministry of North Rhine Westphalia

**Using alternative Fuels as reduction agent in the steel industry**

Nina Kieberger, Voest Alpine Steel, Austria

**Biomass utilization at Ohorongo cement, Namibia**

Michael Hoppenberg, Wolters Hoppenberg & Schwenk Cement, Germany

**Energy optimization of a ball mill at Heidelberg**

Paul Bektshev and Julian Lindhorst, HeidelbergCement

**Mechanical & biological treatment and production of RDF**

Stefan Minius, Sutco, Germany

**Use of granulated blast furnace slag**

Speaker tbc, CEMEX Germany

**CO2 Capturing using lime**

Prof. Dr.-Ing. Bernd Epple, Technische Universität Darmstadt

**The project planning and introduction of a "Fluff-drying system" at Dyckerhoff GmbH's Nowiny plant**

Wojciech Rabajczyk, Dyckerhoff Cement Polska, Poland

Who should attend

- ▶ Environmental engineers
- ▶ Plant managers
- ▶ H&S department personnel
- ▶ Quality managers
- ▶ Laboratory personnel
- ▶ Purchasing personnel

Registration fees

2-day Symposium on 12-13 October 2016, including a networking dinner, all materials, lunches and coffee breaks:

Registrations received by 31 May:  
**EUR 790 (+19% VAT)**

Registrations on or after 1 June:  
**EUR 890 (+19% VAT).**

Two or more participants from the same company registering at the same time will receive a discount of 5%.

Field trip to RDF plant EMREC:  
**EUR 150 (+19% VAT).**

**Please note: The delegate places are limited and will sell out well ahead of the event, so to avoid disappointment book your place without delay.**

Accommodation

We are holding rooms at Wyndham Duisburg Hof and Mercure Duisburg for the delegates to book. Please visit the website for booking details:

I confirm my participation at:

Symposium (12-13 October 2016)  Field trip (11 October 2016)

Dinner (12 October 2016, included in the fee)

First name

Surname

Position

Company name for invoicing

Invoicing address (incl. country)

Email address (necessary to confirm your participation)

Phone number

Mobile number

VAT number (if applicable)

I need an invitation letter for visa application (please attach a scanned copy of your passport)

#### Legal notice regarding video and audio recordings

We will document this event through photographs and video films. The lectures and discussions will be recorded in whole or partially and we would like to publish later these lectures and discussions, as well as the artwork. This also means that we take photographs / make films from the auditorium and other places the event takes place, so it may be that you can be recognised either as a speaker or as a listener of the symposium. With signing the registration form for this symposium you expressly agree that we make such recording and publish later. If you do not want this, please provide us with a written notice along with this registration form. Of course we will take this into account then.

DATE, SIGNATURE (COMPANY STAMP):

#### Participation fees

2-day symposium, including networking dinner, all materials, lunches and coffee breaks: **790 EUR (+19% VAT)** if booked by **31 May 2016**, thereafter **890 EUR (+19% VAT)**. Two or more participants from the same company registering at the same time will receive a discount of 5%. Field trip day on 11 October, to visit RDF production plant of EMREC: **150 EUR (+19% VAT)**.

**Registration deadline is 15 September 2016.** The number of participants is limited, to avoid disappointment please book early.

Enrolment must be made in a written form (email or fax) using this form, and the registration is binding. You will receive a confirmation of your participation by email. Subsequently you will receive an invoice, to be paid within 14 days upon receipt.

#### Travel and accommodation

These costs are not covered by the registration fee. The delegates are responsible for booking their own accommodation. We are holding rooms at Wyndham Duisburg Hof and Mercure Duisburg hotels, and booking forms with rates and other details are available on the website: [www.lechtenberg-partner.de](http://www.lechtenberg-partner.de).

#### Event location
