Panel Debate: 2011 Outlook

Tuesday 11th January 2011

Speakers:

William Moore, RBS

William is a Technical Strategist responsible for contributing to the RBS Global Technical product across all asset classes. He joined RBS from Tradersmade International in 2009.

Tim McCullough, Lloyds TSB

Tim is the Cross-Asset Technical Strategist at Lloyds TSB. He joined in 2010 after more than 20 years experience at banks including UBS, WestLB and BNP Paribas. He focuses primarily on DeMark Indicators and Ichimoku.

Peter Goodburn, Wavetrack

Peter is the founding partner of WaveTrack International and has published Elliott Wave analysis for over twenty years. Peter is the author of the monthly EW-Navigator and the short-term EW-Compass reports.

Brenda Sullivan, Sucden Financial

Brenda has been Head of Research at Sucden Financial Ltd since 2008. Brenda and her team provide economic and related views with technical analysis on a wide range of markets.

Topic:

Foreign Exchange

Fixed Income

Equities

Commodities
