6th Management Circle Conference

Secondary Markets for Life Insurance

Latest developments – international get-together
across the industry – networking platform

2nd and 3rd of March 2010
in Berlin, Germany

■ Sponsoring & Exhibition

Full of expectations, we are looking forward to the 6th International Secondary Market Congress "Secondary Market Life Insurance".

In the past years our symposium has continuously developed being now a renowned premium event of the insurance industry. Our conference is a venue for leading suppliers and service providers as well as a source of inspiration and competence forum.

■ Exhibition – know-how – networking

Take the chance to make useful contacts throughout the industry using attractive exhibition space and numerous possibilities of promotional presentation.

Why you should participate in the International Secondary Market Conference: Secondary Market Life Insurance:

- **Contacts without waste coverage**
Make personal contacts to the top decision-makers of the insurance industry in an exclusive environment
- **Publicity**
Increase your promotional presence by integrating yourself in our marketing campaigns and set the stage for your company
- **Networking and customer proximity**
Open up new sales channels via close industry contacts and demonstrate your company's interest in direct customer contact
- **Image transfer**
Avail yourself of our reputation as an excellent knowledge-provider for experts and executives

For further information on exhibition capacities, target group as well as on the development of your individual sponsoring concept, please do not hesitate to contact me:
